ADDENDUM	No. 2	ISSUED	October 18, 2004	18
pages				

BIDDERS shall acknowledge receipt of this addendum on official Bid Form. Failure to do so may result in rejection of your bid.

BIDDERS are informed that the above named project is modified as follows:

Various questions have been submitted and/or presented at the Pre-Bid Conference held on October 15, 2004. These Questions and the Responses are provided as follows and are a part of this contract:

Response: There is no moratorium. However, the Specifications addresses certain time periods when specific work activities are allowed.

Response: No. An acceptable equal meeting the contract requirements may be presented for review and approval by the Engineer.

Response: Yes. A sample of NPS requirements and restrictions and Application for Special Use Permit are in the Appendix of the Specifications.

Addendum No. 2

Rehabilitation of Pedestrian Bridges over C&O Canal

Question: *How shall access be gained to Potomac Street?*

Response: At Potomac and Grace Streets. The bollards at the south end of brick plaza can be removed and reinstalled for access, at the Contractor's expense. Care must be taken to protect underground intake tunnel.

Question: *Can more than one bridge be worked on at one time?*

Response: No. Except painting may be done concurrently on 34th St. Bridge with the permission of the Engineer and NPS, subject to maintaining pedestrian use at all times.

Question: *Can the canal be drained from November to March?*

Response: Yes, with the permission and coordination with NPS. But there will be some water left.

Unlisted classifications needed for work not included within
the scope of the classifications listed may be added after
award only as provided in the labor standards contract clauses
(29CFR 5.5 (a) (1) (ii)).

In the listing above, the "SU" designation means that rates
listed under the identifier do not reflect collectively
bargained wage and fringe benefit rates. Other designations

indicate unions whose rates have been determined to be prevailing.

WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can be:

- * an existing published wage determination
- * a survey underlying a wage determination
- * a Wage and Hour Division letter setting forth a position on a wage determination matter
- * a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour Regional Office for the area in which the survey was conducted because those Regional Offices have responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations

Wage and Hour Division

U.S. Department of Labor

200 Constitution Avenue, N.W.

Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator

U.S. Department of Labor

200 Constitution Avenue, N.W.

Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board

U.S. Department of Labor

200 Constitution Avenue, N.W.

Washington, DC 20210

4.) All decisions by the Administrative Review Board are final.
